

HCA Before and After Care Monthly Tuition Guide 2023-2024 School Year

Before & After School Program Information

We provide care for school age children before and after school with the cooperation of Berkeley Township School System. Students attending St. Joseph's Elementary School can also be provided bus service to HCA. We accept children from Kindergarten to 6th grade. We provide homework help, as well as organized games, activities and outside play. The children enjoy socializing with their friends in a safe, nurturing environment. Please remember that transportation will not allow your child to have two different bus stops between Monday and Friday but will allow differences between mornings and afternoons. Once registered, HCA will be your child's bus stop for five days a week whether you choose morning, afternoon or both. All pricing listed below is per month.
