

HCA Pre-Kindergarten & Pre-School Information and Tuition Guide

HCA Policy

Hillcrest Academy policies always keep the parents priorities our priority. Our "Open Door" policy invites parents of enrolled children to stop or call anytime. Our faculty are expertly trained in early childhood development. Multi-sensory activities encourage the children to explore and learn. We understand that each child develops at his/her own pace and our educational background allows us to evaluate and give thoughtful feedback to our families. We thrive on challenging the children to reach their full potential academically, reach new heights socially and strive to master self-help skills.

The Preschool/Pre-K programs build a foundation for future success in elementary school and beyond. These programs are a balance of teacher-instructed activities as well as child-initiated activities. Our Preschool/Pre-K faculty have over 30 years of combined experience. Our center has been servicing the Bayville community for over 30 years.

HCA Pre-Kindergarten

Our 4 & 5 year old program focuses on preparing children for Kindergarten. The children are taught the importance of taking pride in their accomplishments as well as a sense of self-importance. We also focus on letter and number recognition, as well as phonics. The children work on writing their names and all of the letters in the alphabet. The children's social skills and independence skills are worked on to encourage their future success in school and life.

Pre-Kindergarten (Age 4 by October 1st)

Extended Day (7:30am to 5:30pm)				Full Day (9:00am to 3:00pm)			Half Day (9:00am to 1:00pm)

HCA Pre-School

Our three and four year old students learn such values as: relating in peer group situations, equipment cleanup, sharing, and independence. The children learn the skills of: gluing, cutting, painting, and coloring. We also teach topics such as: "The Seasons," "Days of the Week," "Numbers," "The Farm," "The Sea," "Body Parts," "The Zoo," "The Five Senses," "Community Helpers," and other fun topics. Children are evaluated twice a year, once in January and then again in June and assessment forms are distributed. Each child is given the opportunity to strive for the next level and they are encouraged with the aid of our experienced Teachers and Teaching Assistants.
