HCA Pre-K Before and After Care Monthly Tuition Guide 2025-2026 School Year

Before & After School Program Information

We provide care for preschool aged children (3 and 4 year olds) before and after school with the cooperation of Berkeley Township School System. We provide homework help if needed, as well as organized games, activities, age appropriate center play and outside play. The children enjoy socializing with their friends in a safe, nurturing environment. Please remember that transportation will not allow your child to have two different bus stops between Monday and Friday, but will allow differences between mornings and afternoons.
